Beschreibung:

We offer you an apartment in a new building in an area with developed infrastructure and a convenient location. The apartment is unfinished. The house is located within walking distance from the railway station (12 minutes drive to the metro), and 10 km from the Moscow Orbital along the Nosovikhinskoe highway. In 2021, it is planned to open an overground metro: a new MCD line with the Zheleznodorozhnaya station! Yards without cars! There are entrances to the entrances from both sides of the house. The inner territory of the houses is limited for the entry of vehicles, the pedestrian zone is landscaped. There are many lawns and walking paths with benches and lanterns. The courtyard space is divided into functional areas: sports areas with exercise equipment and play boxes for sports games, a recreation area for adults with benches and tables for board games, a playground for children of different ages. There are operating schools and kindergartens. Operational viewing. The following works have been done inside: - glazed windows and loggias with plastic double-glazed windows; - input of electrical wiring into the apartment up to the switchboard; - heating radiators are installed; - installed interior partitions; - metal baskets for air conditioners are installed under the windows.
