Beschreibung:

We offer a spacious apartment of 1,114 m² with views of Central Park to the west, the Empire State Building to the south and the city to the east. The property was finished by a famous French designer.

Interior

On the seventh floor there is an entrance foyer with a grand marble staircase. The corner garden sitting room joins with a huge dining room both facing Central Park. There are also three bedrooms with en-suite bathrooms, massive pantries, a kitchen, staff quarters, and offices.

On the eighth floor you find a spacious living room facing Central Park with two fireplaces, a den/smoking room with a wet bar, and a dumbwaiter leading to the kitchen below.

The owner's wing consists of a large fitted dressing room, a master bedroom, a sitting room with a wood-burning fireplace, and a bathroom. The wing was originally designed for two master suites and could be easily converted back if desired.

Closets galore on both floors.

The price also includes a chauffeur's room and an equipped wine cellar.
