Περιγραφή:

Lancer 12 Sleeve Coke Dispenser \"11 Months Old\" This has exactly 11 months of use. It was taken out of a Qdoba restaurant which shut down. The machine has many legs which hold it up. The plastic is cracked or broken on at least three of them. The machine is balancing fine despite the damage to the legs but they will need to either be removed or repaired. We do have the ice catch piece but it isn't shown in the pictures. IBD Model 4500 with 12 LEV 3.0 OZ per sec self-serve valves, 250 pound ice capacity. All stainless. THE QDOBA SYMBOL IS REMOVABLE. ***This was purchased \"BRAND NEW\" and has 11 months of use. It was in a Qdoba restaurant which shut down. We originally paid \$8441 + tax for the Dispenser w/ the ice machine.
