Descripción del trabajo:

Customer Service Performance Analyst -

A Customer Service Performance Analyst is an important part of the business. You will measure individual staff members and dealership centers on their ability to follow a Sales or After-sales process, via telephone or email programs. The information captured will then be presented using various reports and spreadsheets.

You will be working as part of a small team to ensure we provide accurate and consistent data to our clients. You will be required to achieve targets which will be regularly reviewed.

The company is a small, young company that is growing around 50% per year with large aspirations of being market leader in 5 years.

This is an exciting opportunity for the applicant to join a growing, successful company with many opportunities to develop and progress within the company, once experience and knowledge has been developed.
