اطلاعات تکمیلی

درباره من:

Goal-driven and seasoned professional with more than 30 years of experience in all aspects of information technology in both public and private sectors. Well-versed in designing, implementing, and streamlining organizational information systems, software applications, and IT support and infrastructure systems. Expert at overseeing IT plans, schedules, policies, and programs for data processing, network communications, business operations, and management information systems to meet organizational goals.

Equipped with articulate communication and interpersonal skills in building positive work relationships with professionals of all levels; bilingual in Portuguese and English, with working knowledge of Spanish.

انگلیسی، پرتغالی، اسپانیایی
