In April of this year, car had it's engine replaced by BMW under warranty due to the common valvetronic component failure. During the same service car had brakes and rotors on all 4 corners replaced. I have the service record showing both. The repairs are covered by BMW under an additional 2 year warranty, irrespective of the standard manufacturer's warranty. Car comes with 2 keys, and it turn key ready to go. Car has a note on it and must be paid off before title can be transferred to new owner. Car's located in Midtown West, Easy to view off West Side Highway. Car is only used for easy highway travel and has not seen a Northeast Winter.
