Description:

Product Specifications The picture above shows a SlideBelt. You choose the buckle and leather color. Includes one leather and one buckle to form a complete belt. Buckle is made of a metal alloy. Classic leathers are a split grain leather. Leather lasts longer: less wear and tear from holes, and from the leather being strained by the buckle. Buckles are removable and interchangeable. Huge variety for leather + buckle combinations: try new styles without having to buy a whole second belt. Over 30 sizes per belt in a row of notches, compared to 5-holes in traditional belts.
