THE EAGLES Digital Audio Guitar Tab Lesson Software CD Learn 41 EAGLES Songs Guitar Players... If You Use Guitar Tab Books To Learn Songs Or You Just Want A Better And Easier Way To Learn Your Favorite Songs... Please Keep Reading... Put all those tab books away because this is a much better and easier way to learn your favorite songs without the clutter of all the books. This tablature is played using TuxGuitar Editing Software. This software program Plays The Tablature Right On Your Computer Screen and I truly believe this way of learning your favorite songs is far superior to just using a tab book alone. All That Is Required Is A PC Running Windows To Use This CD... TuxGuitar Editing Software Briefly Explained This software program Plays A Computerized Version Of The Song as it Highlights The Chords And Notes Being Played. You will Actually See And Hear how the song is played. This Will Improve Your Timing and help you Learn These Songs Much Faster And Easier then the the old way of just using a Tab Book Alone.
