### Listing details

#### Description:

Incredible two-story home with 5 bedrooms, 3.5 baths, a 2-car detached garage, sparkling pool and spa, nice curb appeal, and easy access to major roads! Interior features include wood flooring and tile throughout, high ceilings, updated paint, floor-to-ceiling windows, crown molding, recessed lighting, an elegant formal dining, separate formal living, utility room in-house, bay window breakfast area, and a den with a fireplace! The incredible kitchen boasts granite countertops, an island with an electric cooktop, subway tile backsplash, and stainless steel appliances while the downstairs master suite features a sitting area, dual sinks, a whirlpool tub, separate shower, and dual walk-in closets! Upstairs holds a huge game room, media room, study with a wall of built-in bookshelves, and the secondary bedrooms! Enjoy your own backyard oasis with lush landscaping and plenty of open patio space! Zillow Inc. has a real estate license in this state.
