Description:
Sony Alpha A7 II Digital Camera & 28-70mm FE OSS Lens

Full-frame, palm-sized. Perfection for all. Stability for all.

Breathtaking image quality meets unrivaled shooting freedom in the **Sony Alpha A7 II**, the world's first **full-frame** camera with **5-axis image stabilization**. Now you can fully express your vision with full-frame quality and cutting-edge camera shake compensation compatible with wide-ranging lenses. But Sony didn't stop there. **Operation is incredibly intuitive** and enhanced **Fast Hybrid AF** delivers lightning-fast focusing, super-wide coverage and tracking performance that captures fast-moving subjects and doesn't let go. Packed with innovation yet compact beyond compare, the Alpha A7 II frees you to shoot however you like with confidence.

This outfit also comes with the **Sony Alpha E-Mount 28-70mm f/3.5-5.6 OSS Zoom Lens**, an affordable mid-range zoom lens for 35mm full frame format cameras that combines high optical performance with compact, lightweight convenience. It covers the popular 28mm through 70mm zoom range with minimal change in physical length while zooming, and is an ideal match for full-frame E-mount bodies.
