Описание:

FARMHOUSE CHIC. . . This colonial style home, built in 1910 has nostalgia written all over it. set back from the street, the home boasts well preserved details, original moldings, original stained glass, and has been owned by the same family for multiple decades. . The main level: entry, living room, dining room, den with wood burning fireplace and recently updated, eat-in kitchen with stainless steel appliances. . Upper level has three ample sized bedrooms and full bath. . Access to the attic. Side door access to the tranquil backyard with fishpond, lots of plantings and well aged trees, rebuilt detached two-car garage, reinforced pavers and pavers on the long driveway. . Basement: Washer/dryer laundry room and storage and mechanicals and 3/4 bath. Roof and siding completely replaced with gutters/drainage system in 2010. Anderson windows replaced 4 years new. Close to transportation - buses and express buses. Close to SI Ferry. . Trendy restaurants and cafes. . Near to shopping and SNUG HARBOR Cultural Center. . Staten Island Botanical Gardens, SI Children's Museum and Parks This is NOSI- North Shore - Staten Island. . Welcome Home!
